Date of Birth: 07 June 2007

GitHub: github.com/fabricerukundo15-bot

PROFESSIONAL SUMMARY

Motivated Networking and Internet Technologies student at International Technical School of Kigali (ITS Kigali) with practical experience in networking, IoT, and technical support gained through industrial training. Interested in cybersecurity, cloud security, artificial intelligence, and data science. Passionate about designing secure and innovative technology solutions and continuously expanding technical expertise through hands-on projects and professional development.

EDUCATION

Advanced level:

International Technical School of Kigali (ITS Kigali)

Networking and Internet Technologies (NIT)

Expected Graduation: July 2026

Ordinary level:

Saint Charles Lwanga Runaba Secondary School

PROFESSIONAL EXPERIENCE

Networking and Internet technologies intern

OTAM LTD, Musanze, Rwanda

August 1, 2025 – September 3, 2025

March 23, 2026 – April 25, 2026

Key Responsibilities and Achievements

- Assisted in the installation and maintenance of computer networks.
- Participated in network troubleshooting and technical support.
- Worked with networking equipment, cabling, and wireless connectivity.
- Supported the configuration and testing of network devices.
- Participated in IoT-related projects involving sensors, microcontrollers, and device connectivity.
- Assisted in testing and monitoring IoT systems.
- Collaborated with team members to solve technical issues and improve system performance.
- Gained practical experience in networking, IoT, and IT operations.

Skills Gained

- Network Installation and Maintenance
- TCP/IP Networking
- Routing and Switching Fundamentals
- Wireless Networking
- IoT System Development
- Arduino and ESP32 Basics
- Technical Troubleshooting
- Team Collaboration

PROJECTS

IoT Smart Security Monitoring System

- Developed an ESP32-CAM-based monitoring system using ESP32-CAM, PHP, MySQL, Wi-Fi communication, and motion detection sensors.
- Implemented motion detection and image capture.
- Integrated database storage and alert mechanisms.

- Created a PHP-based web dashboard to view event details.

Enterprise Network Design and Security

- Configured VLANs, VTP, and Router-on-a-Stick.
- Configured routing by using OSPF, RIP, EIGRP, static and default routing.
- Implemented ACLs to secure network resources.
- Performed network testing and troubleshooting.

Python Learning Master (Concept Development)

- Designed an interactive learning platform to help beginners learn Python through practical exercises and coding challenges.
-

TECHNICAL SKILLS

Networking

- VLAN Configuration
- Inter-VLAN Routing
- Router-on-a-Stick
- VTP Configuration
- Access Control Lists (ACLs)
- Network Troubleshooting
- TCP/IP Networking
- Routing configurations

Cybersecurity

- Ethical Hacking Fundamentals
- Network Security
- IDS/IPS Concepts
- Vulnerability Assessment
- Security Best Practices

Programming

- Python
- C Programming
- C++
- PHP
- HTML & CSS

IoT & Embedded Systems

- Arduino
- ESP32
- ESP32-CAM
- Sensor Integration
- IoT System Development

Artificial Intelligence

- **Generative AI Fundamentals**
- **AI Concepts and Applications**
- **Prompt Engineering Fundamentals**

Tools & Platforms

- Cisco Packet Tracer
 - Wireshark
 - Visual Studio Code
 - Git & GitHub
 - Proteus
 - VMware
-

CERTIFICATIONS

- Introduction to Cybersecurity – Cisco Networking Academy
 - Networking and Internet Technology Internship Completion Certificate – OTAM LTD
 - Generative AI Fundamentals – AWS Training & Certification
-

ACHIEVEMENTS & LEADERSHIP

- Active learner in networking, cybersecurity, IoT, AI, and data science.
 - Assisted in troubleshooting and maintaining enterprise network infrastructure during internship activities.
 - Committed to continuous professional development and technical excellence.
 - Networking and Internet Technologies First student of the year (2024-2025) at ITS Kigali.
 - Networking and Internet Technologies Second student of the year (2023-2024) at ITS Kigali.
-

LANGUAGES

- Kinyarwanda (Native)
 - English (Professional Working Proficiency)
-
